AI Prompt Pack for VAs

Copy, fill in the [brackets], paste into ChatGPT, Claude or Gemini. Works the same in all three.

SAFE AI RULES

- **Ask your client first** if you can use AI on their work. Some clients have their own rules.
- **Never paste** passwords, card or bank numbers, or customers' personal details.
- **Read and fact-check** everything before you send it. You are responsible, not the AI.
- **Make it sound like you.** Use AI to start faster, then edit.

1. EMAIL REPLY

Act as my writing assistant. I am a virtual assistant replying to an email for my client [client business]. Write a short, friendly and professional reply.
Goal of the reply: [what you want to say]
Tone: [warm / formal / casual]
Keep it under 120 words. Do not promise anything I did not mention.

Email I received:
[paste email, remove personal details]

2. MAKE IT CLEAR AND POLITE

Rewrite my message so it is clear, polite and easy to read. Keep my meaning. Use simple English. Give me 2 versions: one short, one a bit warmer.

My message:
[paste]

3. SOP FROM MY NOTES

Turn my notes into a step-by-step SOP (standard operating procedure).
Format: Title, Purpose, When to do it, Tools needed, numbered Steps, Done when, Common mistakes.
Use short steps that start with a verb. Ask me questions if a step is unclear.

My notes:
[paste notes or Loom transcript]

4. MEETING NOTES TO TASKS

From these meeting notes, list every task as: Task, Owner, Due date, Notes.
If an owner or date is missing, write "ask" so I can confirm. Then write a 3-line summary I can send to the client.

Notes:
[paste]

5. PLAN MY DAY

Here are my tasks for today and my shift length of [hours] hours. Sort them by urgency and importance, estimate the time for each, and give me a simple schedule with short breaks. Flag anything I should ask my client about.

Tasks:
[list]

6. RESEARCH SUMMARY

Research [topic] for my client. Give me: a 5-bullet summary, 3 options compared in a table (price, pros, cons), and your recommendation. List the sources you used so I can check them. If you are not sure about something, say so.

7. SOCIAL MEDIA CAPTIONS

Write 5 [platform] captions for [business] about [topic]. Brand voice: [describe]. Each under [number] words, with a simple call to action and up to 3 hashtags. Avoid claims I can't prove.

8. SPREADSHEET HELPER

I use [Google Sheets / Excel]. My data: [describe columns, e.g. A = name, B = email, C = date]. I want to [goal]. Give me the formula, explain it in one line, and tell me which cell to put it in.
