FREE PLAN · VA 101 EP 26

Your First 90 Days as a VA

From first client to stable income. Tick each box as you go. Go at your own pace, and keep it honest.

Days 1 to 30: Foundation

☐ Choose 1 main service (and 1 backup)
☐ Finish profile on OnlineJobs.ph and Upwork
☐ 1-page resume and portfolio with 3 samples
☐ Apply to 5 to 10 matching jobs every weekday
☐ Practise the interview with the AI mock prompt
☐ Set up payments: bank, PayPal or Wise
☐ Workspace ready: internet backup, headset, quiet spot

Days 31 to 60: First client

☐ Send onboarding questions in the kick-off call
☐ EOD report every shift, weekly summary every Friday
☐ Write SOPs for repeated tasks
☐ Track hours and keep invoices organised
☐ Ask for feedback after week 2
☐ Keep applying, aim for a second part-time client

Days 61 to 90: Stability

☐ Register with the BIR and choose your tax option
☐ Build an emergency fund (start with 1 month of expenses)
☐ Learn 1 deeper skill (for example GoHighLevel)
☐ Ask for a review or referral after a good result
☐ Update portfolio with real results (with permission)
☐ Plan your rate review for month 4 to 6

Templates for each step are free at louieva.github.io/resources
