SAMPLE · FICTIONAL PERSON

Maria Santos

General Virtual Assistant | Inbox, Calendar & Google Sheets

Email: maria.santos@example.com · **Location:** Cebu, Philippines (GMT+8) · **Portfolio:** yourportfolio.link (your link here)

SUMMARY

General VA who keeps busy business owners organized. I manage inboxes, schedule meetings and keep data clean in Google Sheets, so you can focus on clients. Fast to reply, careful with details, and available during US or AU business hours.

SKILLS & TOOLS

Inbox management · Calendar scheduling · Data entry · Online research · Customer support (email & chat) · Google Workspace · Google Sheets · Canva · Trello & ClickUp · Slack & Zoom · ChatGPT · Loom

EXPERIENCE

Practice Projects: Virtual Assistant 2026

- Built a sample inbox system with labels and filters that sorts 100+ emails into 5 clear folders.
- Cleaned a 1,000-row lead list in Google Sheets: removed duplicates and fixed names, emails and phone formats.
- Created a 30-day social media content calendar with 12 Canva post designs.

Customer Service Representative, ABC Contact Center 2023 to 2025

- Handled 60+ customer emails and chats daily for a US retail brand with a 95% quality score.
- Updated customer records in the CRM and escalated urgent cases within the SLA.

Online Seller (own small business) 2021 to 2023

- Managed orders, replied to buyers on Facebook and Shopee, and tracked sales in Excel.
