Client Onboarding Questionnaire

Ask these in your kick-off call or send them before you start. Write the answers here so you never ask twice.

1. BUSINESS BASICS

Business name, website and what you sell:

Who are your customers?

2. GOALS AND PRIORITIES

What are the top 3 tasks you want me to take off your plate?

What does a great first month look like for you?

3. TOOLS AND ACCESS

Which tools will I use? (email, calendar, CRM, project tool, chat)

How will you share access? (my own user invite or a password manager share)

> **Safe access:** ask for your own user login or a password manager share. Never ask for passwords by chat or email.

4. COMMUNICATION

Main channel (Slack, email, WhatsApp) and how fast should I reply?

Who else on the team should I talk to?

5. WORKING HOURS

Your time zone and my working hours (start, end, days):

Any hours when you must be able to reach me?

6. TASKS AND SOPS

Do you have written steps (SOPs) or videos for these tasks?

What should I never do without asking first? (send to clients, spend money, delete)

7. REPORTING

How do you want updates? (end-of-day report, weekly summary, project board)

How do you track my time?

8. PAYMENT

Rate, payday and payment method (as agreed in the contract):

9. ANYTHING ELSE

Pet peeves, brand voice, or anything I should know?

> Send a short summary of these answers back to the client after the call, so you both agree on the plan.
