Time Zones for Filipino VAs

The Philippines has no daylight saving time. Your clients' clocks move, yours do not.

Client (November)	Their 9 AM to 5 PM	In the Philippines
Sydney (AEDT)	9:00 AM to 5:00 PM	6:00 AM to 2:00 PM
London (GMT)	9:00 AM to 5:00 PM	5:00 PM to 1:00 AM
New York (EST)	9:00 AM to 5:00 PM	10:00 PM to 6:00 AM

Region	Daylight saving changes
United States	March and November
United Kingdom	March and October
Australia (some states)	October and April
Philippines	None

Set up today

☐ Two clocks on your phone or computer
☐ Google Calendar: add a second time zone
☐ Always write times in the client's time zone, with PH time in brackets
☐ Check times again every March, October and November

Use a tool like the timeanddate.com World Clock Meeting Planner to check exact times.

Async updates

Clear updates replace being online at the same time.

MEETING TIME

Can we meet at 9:00 AM Sydney time (6:00 AM Philippine time) on Tuesday?

END-OF-DAY UPDATE

Done today: [tasks]. In progress: [tasks]. Questions: [1, 2, 3]. While you sleep I will work on: [next steps].

Good async habits

☐ One complete message, not many small questions
☐ Short Loom video when typing is hard
☐ Agree on how urgent issues reach you
☐ Clear status: available or not available
