Upwork JSS and Connects

Protect your Job Success Score and stop wasting Connects.

JSS fact	Source
Calculated daily from your 6, 12 and 24-month history; the best score shows	Upwork Help Center
(successful outcomes - negative outcomes) / total outcomes	Upwork Help Center
Factors include feedback, contract-ending history and long-term clients	Upwork Help Center
Contracts with no feedback stopped affecting JSS in November 2020	Upwork Community release note

Can lower JSS	Can raise JSS
Refunds and disputes	Clear scope before starting
Low feedback from the client	Ask "anything missing?" before closing
Clients who complain from the start	Small projects finished well
Contracts that end badly	Happy long-term clients

CHECKLIST · VA CHALLENGES EP 5

Before you spend Connects

Connects cost money, and each job needs a different number. Spend them on the right clients.

Client check

☐ Payment verified
☐ Has hired before, with good reviews from freelancers
☐ Clear task and budget
☐ You can answer every question in the post

Proposal habits

☐ Apply early on new posts
☐ Short and about this job, not a template
☐ Boost only when you are a very strong fit

If your JSS drops

☐ Check Job Success insights
☐ Find which contract caused it
☐ Focus on new, happy clients
☐ Do not panic: it is recalculated daily
