FREE CAREER MAP · VA CHALLENGES EP 7

Stuck as a VA? Your Career Map

Different tasks are not the same as growth. Move up on purpose.

Level	Role	What you do
1	General VA	Admin, email, data
2	Specialist VA	One tool, industry or function (GHL, ecommerce, medical, support)
3	Senior VA or Team Lead	Write SOPs, train and check other VAs
4	OBM or Agency	Run operations, or your own team and clients

90-day upskill plan

☐ Month 1: one course or certification in your niche
☐ Month 2: use it on a real task
☐ Month 3: write a short case study with results
☐ Then: ask for a new responsibility

Proof that you are ready

☐ Numbers: time saved, tasks handled, results
☐ Case studies
☐ Testimonials from clients and teammates

Ask for a bigger role

Lead with results, ask for one clear new responsibility, then review the rate.

MESSAGE TO YOUR CLIENT

I really enjoy working on your business. In the last 3 months I helped with [A] and [B]. I would love to take on [C], for example training the new VA or managing the inbox process. If it works well, could we review my rate after a month?

Avoid	Better
Any random course	A course that fits your niche
Waiting to be given more	Propose one improvement
An old profile title	A title that shows your niche
Working alone	Join a community in your niche
