FREE CHEAT SHEET · VA 101 EP 33

Canva Basics for VAs

Simple, clean graphics are one of the most requested small tasks.

Use	Size (px)
Facebook or Instagram post	1080 × 1080
Instagram portrait post	1080 × 1350
Story or Reel cover	1080 × 1920
Link preview or event banner	1200 × 628
YouTube thumbnail	1280 × 720

5 design rules

☐ One message per graphic
☐ Max 2 fonts: 1 for headings, 1 for text
☐ Use the client's brand colours (Brand Kit)
☐ High contrast: dark text on light, or light on dark
☐ Leave space. Do not fill every corner

Before you send

☐ Spelling, names, dates and prices checked
☐ Logo is clear, not stretched
☐ Correct size for where it will be posted
☐ Export: PNG for graphics, JPG for photos, PDF for print

Use templates as a starting point, then change colours, fonts and photos so it looks like the client's brand.

WORKFLOW · VA 101 EP 33

A simple Canva workflow

From client request to approved design.

Steps

☐ Ask: size, platform, text, deadline and examples they like
☐ Set up the Brand Kit: logo, colours, fonts
☐ Pick a template, change it to the brand
☐ Share a view link for feedback
☐ Make changes once, then send the final files

ASKING FOR DETAILS

Hi Sarah! For the November posts: which platform, how many posts, and do you have photos to use? If you have 1 or 2 examples you like, send them and I will match the style.

SHARING FOR APPROVAL

Here are the 5 posts for review: [view link]. Let me know any changes by Thursday and I will send the final PNGs the same day.
