FREE GUIDE · VA 101 EP 30

Free Certifications for New VAs

Free badges that make a newbie profile stronger. Pick 2 or 3 that match the service you offer.

Certification	Where	Time	Best for
Digital Marketing	HubSpot Academy	About 3 hours	Social media and marketing VAs
Social Media Marketing	HubSpot Academy	About 5 hours	Social media managers
Inbound	HubSpot Academy	About 3 hours	Any VA working with sales or marketing
Content Marketing	HubSpot Academy	About 8 hours	Writers and content VAs
Google Ads (Search)	Google Skillshop	A few hours	Ads and marketing VAs
Google Analytics	Google Skillshop	A few hours	Reporting and marketing VAs
Online courses with a certificate of completion	TESDA Online Program (e-tesda.gov.ph)	Varies	Workplace communication, digital and business basics

How to pick

☐ Match the certificate to the service you sell
☐ Start with 1 short one this week (3 hours)
☐ Do the free lessons first, then take the exam
☐ Retake if you fail. Most are free to retry

Course names and times change. Check the official sites. HighLevel also has an official certification program for GoHighLevel VAs, but it is paid, so start with free training first.

Where to show your certificates

A certificate nobody sees does not help you. Put it everywhere a client looks.

Checklist

☐ LinkedIn: Licenses and certifications, with the credential link
☐ Upwork: Certifications or Portfolio section, and mention it in your overview
☐ OnlineJobs.ph: add it to your resume and skills
☐ Resume: a short Certifications section near the top
☐ Proposals: 1 line, only if it matches the job

SAMPLE PROPOSAL LINE

I am HubSpot Digital Marketing certified, so I can set up and track your email campaigns from day one.

2-week study plan

☐ Week 1: 1 hour a day on the first course, take the exam on day 5
☐ Week 2: second course, update LinkedIn and Upwork the day you pass
☐ Practise what you learned on a sample project for your portfolio
